

Your event

AT ANTWERP CITY BREWERY

Mmm

ANTWERP CITY BREWERY is more than just the home of Bolleke and Tripel d'Anvers. As the culinary hotspot of Antwerp, you can find an array of craft shops, such as cheese refiner Van Tricht, Butcher's store De Laet & Van Haver, chocolatier Jitsk, The Bakery, Master mixologist Paul morel, Yust hotel, and even 4 restaurants.

A brainstorm session in De Moutkelder, a meeting in the authentic Brouwershuis, a reception in De Koninck Bar, or a walking dinner and cheerful dance party in our Duvel Bar... Our spaces and meeting rooms are the perfect setting for any event.

Make your event even more unique by treating your guests with a Meet The Crafts tasting. During this food & beer pairing you can get to know all the crafts which are located on the brewery site (cheese, meat, chocolate). Or invite your guests on an Interactive Brewery Tour, where you will learn more about our beers, the brewing process and the history of Antwerp and the brewery.

With a wide range of catering options and corporate gifts, we make sure that your event lacks nothing. Also, the presence of parking facilities, easy access to the Antwerp Ring Road and public transport at the doorstep enables Antwerp City Brewery to be the place for an inspiring and unique event in Antwerp.

We look forward to welcoming you during one of your next events.

Kind regards,

Chiara Smets & Tibo Huybregts
